# CONTRACT FOR LEASE OF EQUIPMENT

## TERMS OF LEASE:

No Equipment will be reserved for anyone until this lease is completed & funds are received.

If Lessee fails to pay rent in a timely matter, you will be charged an annual 18% interest or a minimum of \$5.00 per month late fee.

Any trailers leased for less than a 3 month period are subject to sale without notice to Lessor.

All Leases will require a deposit based on Insurance deductible and mileage from Lessor's location to Lessee location, which will be refunded within 1 month after the equipment is returned at the end of the lease term and our shop has reported equipment as being in the same condition as when lease began (ordinary wear and tear is excepted). **The deposit cannot be applied to rent.**

All Leases will require AT LEAST one advance rent payment. **Lessee will remain at least one payment in advance**, with payments on weekly rentals due one week in advance and payments on monthly rentals due one month in advance. **If Lessee fails to pay rent in advance, Lessor will pick up the equipment at Lessee's expense and forfeit their deposit.** There will be no exceptions. If you feel you may be too busy to send check during use, pay in full now.

Equipment shall be clean when returned or a **\$75.00 fee** will be deducted from deposit.

If Lessee returns equipment before the end of the agreed lease terms, and has not paid Lessor in full, **Lessee will forfeit deposit and remain responsible for all rent due throughout the remainder of the lease term, which shall become immediately due and payable.**

Lessee will be responsible for any damages not noted in advance of the lease.

Lessee realizes that tree branch scratches and stop sign scratches are the most common type of damage on Rental Grain Trailers. I also understand that I am responsible for the repair bills or the trailer depreciation caused by damage.

Lessee will be responsible for excessive rock chips on undercoating; Lessee should always have mud flaps on truck.

Lessee shall have all repairs made at a shop approved by the Lessor and manufacturing company, so that any and all remaining warranties remain in effect.

If any repairs are made by Lessor, then Lessee shall be responsible to the Lessor directly or to any third party designated by the Lessor who actually incurred the cost of repair and/or completed said repair.

Lessee will carry FULL COVERAGE insurance that states Lessor as the loss payee. Proof of insurance with unit serial number will be provided to Lessor and remain in effect until equipment is returned and a release is signed by Lessor. Any damages to product hauled/stored in leased equipment will not be Lessor responsibility.

Lessee is responsible for return of equipment in the same condition as described in this contract, ordinary wear and tear excepted, to Lessor, at the location initially rented from, during regular business hours. Any and all costs incurred by Lessor to recover said equipment will be charged to the Lessee.

Lessor may terminate this lease at any time and Lessee shall be responsible for return of the equipment to Lessor upon termination.

Equipment cannot be subleased from Lessee.

Sales Tax – All orders picked up or shipped within Kansas boundaries are subject to Kansas sales tax. For orders shipped to other states, the tax applicable to that state may apply. If you are exempt, either a signed agricultural exemption or resale exemption certificate must be sent to Lessor. All applicable taxes will be charged if your signed certificate is not in our files.

Prices – The Lessor feels that we are more than competitive in our prices. We reserve the right to make changes in design, material, specification, or price without notice or liability thereof. Prices are subject to change without notice and will be processed accordingly to the prices in effect at the date of shipment unless notified otherwise.

## CONTRACT FOR LEASE OF EQUIPMENT

Abandonment – If the equipment is not returned to the property owned by Lessor, within five (5) days from breach of contract, unless other arrangements are made in writing signed by both parties, said equipment shall be deemed abandoned by the Lessee. With said abandonment, said equipment and any attachment there to, shall become the property of Lessor, free and clear of any claim by the Lessee. In addition, it is specifically acknowledged that Lessor would incur certain storage fees and/or other losses due to the items being on the premises owned by Lessor. It is further acknowledged that the actual determination of the amount of loss is difficult to determine and said products or goods would be retained by Lessor as liquidated damages and not as a penalty. Finally, the Lessee expressly waives any claim to any items stored within said equipment being rented under this lease.

If Lessor determines that it must recover the equipment from a location not owned by Lessor, Lessee irrevocably agrees that Lessor shall have the right to go onto said property and hook onto the equipment and remove it. If the equipment is attached to a truck or any other object, Lessor will have the right to have a tow truck or its truck attach and remove any attached vehicle or equipment to retrieve the Lessor's equipment without notice to the Lessee.

In the event of non-payment or other breach of any of the Terms and Conditions of this agreement or the results of any other litigation in any way to this lease, Lessee agrees to pay any and all collection costs, including but not limited to attorney's fees, interest, late charges, court costs, and expenses of Lessor.

This Agreement shall solely and only be interpreted under the laws of the state of Kansas. Any litigation involving this agreement shall be resolved solely in the District Court of Dickinson County, Kansas or the related federal District Court for the District of Kansas. All matters involving this agreement shall be governed by Kansas law.

Except for the representations and warranties contained in the Agreement, Lessor, does not make any other express or implied written or oral, representations or warranties with respect to the products or goods leased hereunder.

No prior oral or written statements made or alleged to be made to the Lessee may be relied upon by said Lessee as it is specifically understood that all terms and conditions are contained in this written document and that Lessee may not rely upon any prior written or oral statements made.

Location of Vehicle, Unless otherwise noted on the Lease, Lessee will garage the equipment at the Lessee's address as listed herein and, other than for operating the equipment, Lessee shall not remove the equipment therefrom unless Lessee gives Lessor written notice of such removal and the new location where the equipment will be garaged at least 14 days prior to removal.

Lessor shall have the express right (without prior demand or notice and without hereby waiving or prejudicing any other rights, powers or remedies under this Lease) to enter any premises under the control of Lessee, without any obligation to pay rent to Lessee, by Lessor's own means through self-help and without judicial process, breaking locks where necessary but without breaching the peace, or with legal process, in which case Lessee agrees not to resist or interfere, and render the equipment unusable without permanently diminishing its value and/or to take possession of the equipment.

The Lessor shall not by any act of delay, commission, failure to act or otherwise be deemed to have waived any right, power, privilege or remedy hereunder, and no waiver whatever shall be valid unless in writing signed by Lessor, and then only to the extent therein set forth, nor shall any single or partial exercise of any right, power, privilege or remedy hereunder preclude any further exercise thereof, or the exercise of any other right, power, privilege or remedy.

**WHO MAY USE THIS CERTIFICATE?** Farmers, ranchers, feedlots, fisheries, grass farms, nurseries, Christmas tree farms, custom cutters, crop dusters, and others engaged in farming, ranching, aquaculture, or farm and ranch work for hire are entitled to this exemption.

**WHAT PURCHASES ARE EXEMPT?** This certificate contains five separate exemptions. Examples of items or uses that are exempt, and those that are taxable are given for each exemption. In addition to meeting the definition for an "ingredient or component part" or the "consumed in production" exemption, items purchased with this certificate must be used exclusively in agriculture or aquaculture to produce a product for resale — food, fiber, fur, or offspring for such purposes.

**RETAINING THIS CERTIFICATE:** Sellers should retain a completed copy of this certificate in their records for at least three years from the date of sale. A seller is relieved of liability for the tax if it obtains a completed exemption certificate from a purchaser with which the seller has a recurring business relationship. A certificate need not be renewed or updated when there is a recurring business relationship between the buyer and seller. A recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

**INGREDIENT OR COMPONENT PART:** EXEMPT: Wheat, corn, milo, soybean, and sunflower seed used to produce these crops; feed for beef or dairy cattle, sheep and hogs, ground grain for chickens in a poultry or egg-laying operation; food for aquatic plants and animals (fish); baler twine, baler wire and bale wrap used on hay that will be resold or used in the farmer or rancher's own livestock production operation. TAXABLE: Bedding plants and seeds for a home garden; or food for pets and pleasure animals.

**CONSUMED IN PRODUCTION:** EXEMPT: Insecticides, herbicides, fungicides, fumigants, germicides, pesticides, and other such chemicals used on growing agricultural crops for resale or used in the processing or storage of fruit, vegetables, feeds, seeds, and grains; antibiotics, biologicals, pharmaceuticals, vitamins, minerals, and like products which are fed, injected, or otherwise applied to livestock for resale; off-road diesel fuel, oil, and oil additives consumed by farm tractors and combines; LP gas for agricultural use. TAXABLE: Insecticides and the like purchased for use in a home garden; antibiotics, vitamins, etc. purchased for pets or pleasure animals; fuels, oils, for cars, trucks, and ATVs.

**PROPANE FOR AGRICULTURAL USE:** EXEMPT: Propane used to operate farm machinery. TAXABLE: Propane for non-agricultural use, including for barbecue grills, campers, RV equipment and vehicles licensed to operate on public highways.

**FARM OR AQUACULTURE MACHINERY AND EQUIPMENT:** To qualify, the machinery or equipment must be used **ONLY** in farming, ranching, the operation of the feedlot or nursery, farm or ranch work for hire, or aquaculture. The exemption applies to the rental or purchase of farm or aquaculture machinery and equipment, as well as the parts and labor purchased to repair or maintain the farm or aquaculture machinery and equipment. EXEMPT: Combines, discs, farm tractors, harrows, hay balers, irrigation and milking equipment, planters, plows, tillers, and work-site utility vehicles (see NOTICE 06-02). TAXABLE: Air compressors and tanks, all terrain vehicles (ATVs), automobiles and trucks, barn ventilators, building and electrical materials, bulldozers, fencing materials and tools, garden hoses, grain bins, hand tools, lawnmowers, silos, water and gas wells, welding equipment, and any equipment that becomes a part of a building, facility, or land improvement.

**SEEDS AND TREE SEEDLINGS:** All components of a shelter belt or wind break planted on **agricultural land** are exempt from sales tax. This includes the trees, fertilizers, pest control chemicals, moisture/weed barrier and staples, and above ground irrigation equipment. Furthermore, all services related to the planting or caring of the trees planted on **agricultural land** are exempt from sales tax.
